

NJMTA SPECIAL AWARDS ENTRY FORM

Innovative Safety Program of the Year Award

This award is to recognize an NJMTA member that through creativity and leadership devised a single component of their safety program which had significant results.

Provide a brief (one (1) page maximum description of the program and the results.

Community Safety Outreach Award

This award recognizes the NJMTA member that has worked within your community to promote highway safety via a share the road or other safety program.

Provide a brief one (1) page maximum description of the activity or multiple activities your company participated in.

Community Service Award

This award recognizes the NJMTA member that has assisted or partnered with their local community or organization to help with a fund raiser, donated transportation services for a special event, helped collect items during a disaster, etc.

Provide a brief one (1) page maximum description of your company's efforts to service your community.

Please check the appropriate box(s) for the entries you are submitting.
