

NJMTA Sponsor of Wreaths Across America

The NJMTA is an official sponsor of Wreaths Across America (WAA). Wreaths Across America's mission is:

- Remembering our fallen heroes
- Honoring those that serve
- Teaching our children about the sacrifices made by veterans to preserve our freedoms

This is carried out by laying wreaths on veterans' grave across the country in December. This year the wreath laying will take place on December 18, 2021.

For years the trucking industry has donated/volunteered to handle the transportation of the wreaths from Maine to their final destination, as well as to sponsor wreaths.

Wreaths sponsored by NJMTA members will be sent to **Beverly National Cemetery** the final resting place for 49,000 veterans.

Our 2021 Goal is 550 wreaths

You can help us reach our goal by donating towards the purchase of wreaths. They cost is only \$15 each.

ABOUT BEVERLY NATIONAL CEMETERY

The Beverly National Cemetery is located in Burlington County's Edgewater Park, in the city of Beverly, N.J.

The original cemetery was only a single acre off of Beverly's Monument Cemetery, purchased from a local resident in 1863 for the purpose of interring Union Army casualties who died in the Beverly United States Army hospital (run for the duration of the Civil War). Additional land was acquired in 1936, 1937, 1948, and 1951. It served as a burial ground only for those veterans who died in nearby hospitals, until space in the nearby Philadelphia National Cemetery became limited, and many interments that would have been made there were made at Beverly instead. Beverly National Cemetery was listed on the National Register of Historic Places in 1997.

Seven unknown Revolutionary War soldiers lay in the cemetery's Section F. Initially buried in Camden, their remains were transferred to Beverly National Cemetery in 1955. There are 49,000 graves.
